I think we should do a joint write ups on the MN mining petition and nutrient/straight pipe petition. Maybe include a sentence on the Minntac inspection but I don't think it warrants its own write up since it is pretty early in the process. Who in NPDES should we work with?

Subject: MN Hot Issue Request - Resending - Deadline 4/5

Hello,

Rhiannon filled in for me last week, but I'm resending this hot issue request to make sure some of the regular contributors see it.

As you recall, R5 senior management will be in Minnesota next week meeting with the staffs of Sens. Klobuchar and Smith, and MPCA Commissioner Stine and MN Dept. of Ag Commissioner Frederickson so will need hot issue support. The RA will also be touring the **Flint Hills Resources Pine Bend Refinery in Rosemount, Minn.**, so make sure to include any pertinent permitting, enforcement or other issues.

Please send your issues to me, **John Peterson**, in Public Affairs, by **deadline: COB Thursday, 4/5**.

Attached is our nifty new hot issue template for your use.

Thanks for your great help as always,

- john
